Transport and tool replacement kit  
Chainsaw holder  
Dolly trailer

VIMEK®

# 404 DUO

## Technical specifications

### Engine

CAT C2.2T CRDI 50 kW

### Swing angle

80°

### Transmission

Hydrostatic / mechanical

### Tyres

405/70-24 or 500/60-22.5

### Hydraulic

120 L/min

### Ground clearance

40 cm

### Wheelbase

2.10 m

### Lenght

4.65 m  
9.25 m including trailer

### Width

1.80 m or 2.05 m

### Weight

4,700 kg, trailer excluded

### Loading area

Loading area 3.40 m  
with cargo space 2.00 m<sup>2</sup>

### Loading capacity

5,500 kg

### Crane

Vimek – Mowi P25  
Range: 5.2 m  
Lifting capacity: 400 kg at 5.2 m  
Gripping area: 0.16 m<sup>2</sup>

### Harvesting unit

Keto Forst Supreme V3  
Weight: 296 kg  
Max. diameter: 300 mm  
10 cc saw engine  
Keto Forst Xtreme (option)  
Weight: 300 kg  
Max. diameter: 300 mm  
10 cc saw engine

### Bucking system

DASA H50/H70
